

Web Hosting
for Everyone!

Simply affordable, feature rich and reliable web hosting service for everyone! Whether you are a start-up company, a small business, or an individual looking for personal hosting for your blog, we've got it all that you need.

With a local Data Center located in Karachi, Pakistan, we guarantee lightning fast speed with lowest latency you'll ever get!

Connected over redundant optic fiber connectivity, multiple backup generators,

24x7 automated and human monitoring, blade servers and high capacity storage, we offer 99.5% uptime, more disk space, features and 24x7 technical support via our online ticketing system to outmatch every competitor package.

If you are not happy with the first 30 days of our service, we'll refund* 100%

* Provided the account was used within the limits provided
